

NATIONAL COMMITTEE FOR THE PREVENTION OF ELDER ABUSE

**ROSALIE WOLF COMMEMORATIVE FUND**

2013 marks the 12th year anniversary of Rosalie Wolf’s death.

Rosalie Wolf is known internationally for her pioneering work in the field of elder abuse. Dr. Wolf served as the Executive Director of the Institute on Aging at the University of Massachusetts Memorial Health Care and founded both NCPEA and the Journal of Elder Abuse and Neglect, among her many accomplishments.

NCPEA is proud to advance the vital work of our founder. In her honor, and to help sustain her vision, NCPEA has established the ROSALIE WOLF COMMEMORATIVE FUND.

**Donations in memory of Dr. Wolf will support enhancements to the NCPEA on-line library:** [www.preventelderabuse.org/library](http://www.preventelderabuse.org/library). Planned improvements include reorganization and indexing, inclusion of hyperlinks, additional videos and training materials, conversion to PDF documents, and a more user-friendly interface.
